SPEAK UP

for those who
cannot speak
for themselves.

Proverbs 31:8

*This precious
child is the son
of a recent
CCWH patient.*

ComfortCare Women's Health is a life-affirming, nonprofit medical clinic that seeks to engage, educate, equip, and empower women and men facing an unintended pregnancy.

We seek to engage individuals who are facing an unintended pregnancy; educate them on sexual and reproductive health as it relates to pregnancy outcomes; equip them with abortion-alternative services; and empower them in a life-affirming way.

All services are provided free to every patient regardless of income, race, religion, or health insurance coverage. Services include: pregnancy testing, pregnancy confirmation through limited OB ultrasound, medical consultation, counseling on all pregnancy options, and STI testing.

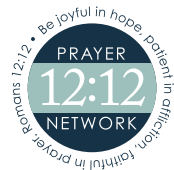

Here's how the Baby Bottle Campaign Works:

1. **Pick up** a baby bottle (or 2!) at church today.
2. **Fill the bottle** with change, cash, and checks.
3. **Return the filled bottle** to your church.
4. **Pray** for the patients, staff, and volunteers at ComfortCare who will be directly impacted by your donation. Your gift will change lives!
